## THE GARDINER

redefined, classic comfort

Light and airy. Two walls of mullioned bay windows, with plush window seats, overlook our lush English gardens and a 200 year-old wisteria. This spacious (approx. 500 square feet) room is decorated in pale yellow William Morris papers and fabrics, and features a luxurious king sized bed, wood-burning fireplace. The Bath features a two-person spa tub, separate glass-enclosed shower and two antique pedestal sinks.
