

THE BAKER HOUSE

- 1650 -

THE HEDGES

traditional tranquility

This charming room (approx. 400 square feet) is actually part of the original 1648 house, and features a balcony, original paneling, hand-hewn beams, wood-burning fireplace, a queen-sized wooden sleigh bed, and an outdoor terrace overlooking the scenic village green. The Bath is light and spacious, with a glass-enclosed shower, separate claw-footed tub and an antique pedestal sink.
