Lynn's Hula Hut's tropical cocktails transport you from the Hamptons to Hawaii.

**ISLAND TIME** WHERE TO GET A TASTE OF THE TROPICS? RIGHT IN OUR BACKYARD... BY LAUREN EPSTEIN

Hidden away at the end of the island, there's a place to kick off your shoes, hop into a hammock and relax—a local haunt that embraces the bohemian spirit of Montauk, infused with laid-back Polynesian vibes. Dreamt up by Lynn Calvo, who after exploring the world returned to her native Montauk (where her father was a commercial lobsterman), the aptly named Lynn's Hula Hut is a breath of fresh air amid some of the Hamptons' stuffier spots. Calvo, author of the tropical cocktail book *Tiki With a Twist*, crafts fresh and fruity drinks that pair perfectly with the setting—a waterfront destination with a bamboo bar, palm trees, daybeds and a Zen Den. In true island style, house band Deep C Revival and other musical guests rock the outdoor stage all summer long. 426 W. Lake Drive, Montauk, 303.482.5047, [lynnshulahut.net](http://lynnshulahut.net)
